Please leave these items in your room on departure.

Your dog is an important member of your family and we want your stay with us to be a home from home experience.

Your dog is welcome to relax with you in our reception area, Retreat Bar, Snug, outside terrace and of course, your bedroom.

Although we do not permit dogs in our main restaurant, we are happy to arrange for your meals to be served in the Retreat Bar or Snug.

If your dog is barking or unsettled, we may ask you to take them to your bedroom for some quiet time or you may prefer to put them in your car.

For a quick stretch of the legs or toilet break the East Cliff is accessed directly from the front of the hotel and there is a grassy area in front of the Cottonwood Boutique Hotel (approx 10 minutes level walk)

Don't worry if you forget anything - doggy treats, a ball and waste bags will be in your welcome pack when you arrive.

Beach Etiquette

Winter Months

From 1st October until 30th April, you and your dog/s are welcome to enjoy the 10 miles of golden sandy beaches that our coast has to offer and your dog can enjoy the beach off lead.

Summer Months

Between 1st May and 30th September dogs are to be kept on the lead on the beach and all paths and promenades.

There are special designated beaches for exercise off the lead during this period however, the walk from Bournemouth to Boscombe Pier is lovely and highly recommended whatever time of year.

Where to exercise your dog off lead during the summer months?

West of Bournemouth Pier towards Poole:-

Middle Chine to Durley Chine (Groyne 5 to 7)

Approximately 10 -15 minute walk from the Hotel.

Alum Chine beach office to Groyne 3 (Border with Poole)

Approximately 20 minute walk from the Hotel.

East of Bournemouth Pier towards Hengistbury Head:-

Fishermans Walk to Southbourne (Groyne 32 to 41)

Approximately 40 minute walk or 10 minutes in the car.

Canford Park SANG (approx 20 minutes drive from the hotel)

A photograph of a beach promenade. On the right side, there is a row of colorful beach huts in shades of blue, green, and red. A paved walkway runs alongside the huts. On the left side, there is a sandy beach with some exercise equipment and a few people in the distance. The background shows the ocean and a clear sky.
