

The Bournemouth Air Festival is one of the largest annual events on the South Coast. It is the biggest and best free aviation festival in the UK and voted one of the ten best air shows in the world by USA Today. With air and ground displays and attractions during the day going all the way through to late evening the Air Festival is surely one of the best times to visit Bournemouth.

Boasting stunning views of Bournemouth's East Cliff the Marsham Court hotel is an ideal place to view this attraction which brings over a million people to the town. Just a 5 minute walk to the pier and beach the hotel is a great location for those who want to see all the attractions on the sea front whilst staying secluded from the crowds passing by or for those who wish to watch from the comfort of their rooms or our private sun terrace.
